Camp Civitan and recreation programs for special needs children and adults

The Civitan Foundation Inc. 501 (c) (3) is a private, non-profit organization providing multiple ever-changing programs to meet the needs of children and adults who are developmentally disabled. Our programs include: Residential Summer Camping, Winter Weekend Camping, Year-Round Home Based Community Service and support for families, which include Respite, Habilitation and Attended Care to Arizona Families.

The Civitan Foundation Inc provides unique services each year to more than 1,000 children and adults. We have been in operation since 1968 and have grown steadily over the past 43 years. We have grown simply because of the demand for our services. We have a reputation for providing safe, effective, high quality services and offer many educational, life skills, peer socialization and the much needed respite for families.

Approximately 48 percent of our campers will need some type of financial assistance, due to financial limitations to attend summer camp. Many of our campers face multiple challenges and come from low income households. Your generous support and participation in the Padre Murphy Charity Golf Classic will help with the scholarship program. Our goal is to never turn campers away based on the inability to pay for services.
