**"Our Nights Out" (ONO) Program Information**

The ONO Programs are fun-filled 3-hour programs that include; art projects, nutrition, physical education, life skills, peer socialization, field trips, bowling and games. All programs continually provide support for positive behavior and stimulating activities while augmenting an individual's social skills and self-esteem. All ONO Programs are designed to provide "free time" for families so they too can have a "Night Out". Parents have told us that their family member's confidence levels have dramatically improved due to the stimulating activities that our programs offer!

These ONO programs are operated throughout the entire year (excluding some holidays). These unique programs use 3 hours of Respite OR \$15.00 per hour private pay. *Occasionally, an additional activity fee may be required* (examples of such activity fees include, but are not limited to, site dinner preparations, field trips, and special projects). If you know of anyone interested in working any of these sites or have "fun ideas" for us, please call Noreen Crane at 602-953-2944. We are currently serving six locations throughout the Phoenix area and anticipate at least two more locations opening before the end of this year (see sites below):

## Camp Civitan 2011 Camping Season

**Introducing** the 2011 Camp Civitan schedule! This year we have added a number of new adventures and activities to our sessions, and will continue to do so throughout the year as events and opportunities arise. As we continue our efforts to improve and expand Camp Civitan, we have added several permanent activities and features. This summer, our Thunderbird Miniature Golf Course will be ready for tournaments and fun play each week, along with the new hay wagon and outdoor theater stage. Each summer we host a wide range of entertainers, educators and speakers to share their passion and knowledge with the campers. Each day is filled with a combination of sports, group games, food and nutrition education, life skills enhancement, hikes, arts and crafts, swimming, music programs, themed dances, and the most popular skit performances. A week of great memories and the opportunity to reconnect with old and new friends brings back our quality staff, volunteers and campers year after year. Weeks **DO** sell out, so please book early! Please note we are also taking reservations for the fall/winter weekends at this time. These are very popular, and we have made every effort to schedule holiday weekends to coincide with school holidays. Additional individual requests are also considered. Please check the appropriate boxes and return with your deposit(s).
